

Physical fitness, emotional maturity, intellectual clarity, spiritual depth, cultural pride, patriotic dynamism and universal outlook are the urgent need of the hour as depicted by the above statistics.

Transformation, they say, comes from within. iTransform Workshops empower the “within” of India - The Youth, who are more than 70% of India - by helping them carve out of a leader, a visionary and a transformed Indian out of themselves.

iTransform Workshops are part of the 2nd phase of the National Movement “**Transforming Indians to Transform India**”. These workshops will be conducted from June 2014 to December 2015 in India.

You can invite us for the next one...

Workshop Modules:

The iTransform Workshops are offered in the following 7 Modules:

- 1) **Patriotic Transformation**
- 2) **Physical Transformation**
- 3) **Emotional Transformation**
- 4) **Intellectual Transformation**
- 5) **Spiritual Transformation**
- 6) **Cultural Transformation**
- 7) **Universal Transformation**

You can choose any one/multiple/all of the above workshops for your organization.

Workshop Highlights:

- Interactive training with games, activities, audio-visuals, quizzes, statistics, presentations, etc.
- Designed by experts based on the book “**Transforming Indians to Transform India**”, which has reached more than 2,50,000 readers across the Nation in the last 1 year.

Duration: Our Certified Trainers can customize the workshop duration to last anywhere between 45 - 120 minutes.

Trainers: Certified Trainers who are professionals/youth/experts/Chinmaya Mission Members would conduct the workshops.

Workshop Material: All participants of the Workshop must have a copy of the book “Transforming Indians to Transform India” as a Reference material during the workshop. The book as well as a Free band with the slogan – My Transformation Transforms Nation is available at a discounted cost of Rs.50/- per book. You can inform the organizers the number of copies you need and they will arrange to bring/send it to you in advance.

Participation: A group of at least 15 individuals would be required in order to conduct the workshop in any organization. For educational institutions, we can conduct the workshop for students of Grade 6 and above.

Contribution: Apart from the workshop material cost mentioned above, we conduct the **iTransform Workshops FREE for all educational institutions**. Voluntary donations to support the conveyance and other costs are optional and acceptable. Corporate offices, commercial organisations, clubs and other communities may contact us to discuss details of Contributions needed.

Certification: Participants who attend 3 or more workshops will be awarded a certificate for the same. Institutes who host more than 5 workshops will be also awarded a “Transforming School of a Transforming Nation” Award.

Requirements: The Trainers will need mike, speaker, laptop, projector and screen to conduct the workshop. In case it is not available with the host-organisation, the trainers can make arrangements for the same if informed in advance.
